

A large, colorful mosaic of a dome. At the top center, a figure of Christ with a halo and outstretched arms is surrounded by a golden sunburst. Below this, the mosaic transitions into a wide, colorful band of various shades of blue, purple, and gold. At the bottom, a group of people, including a central figure of Christ, are depicted in profile, wearing various colored robes. The entire scene is set within a dome-like structure, with the mosaic tiles creating a rich, textured background.
